

The Oklahoma Psychological Association and Division of Research and Training announce a call for student presentations for the 2020 OPA Annual Convention. The conference will be held November 6-7, 2020 at NSU Broken Arrow.

This year, OPA is conducting *Psych Science in 5*. This format is designed for students to present their research in 5 minutes. Presentations will consist of a video shared via YouTube of the student giving their presentation voiced over the static slides. There should be no animations or other live video components. Presentations should not be longer than 7 slides including the cover slide and not more than 5 minutes in length. Videos need to incorporate a link to the student's full research. All presentations that are selected will be posted online for public viewing and promoted on social media. Here are several tips to assist you in creating a video recording.

Any student wishing to make a presentation at the 2020 conference may submit an abstract for review by the Program Committee. Abstracts are limited to 500 words and must clearly and concisely delineate the following sections: Problem, Method, Results, and Conclusions. Presentations may be of technical, scientific, or professional interest to psychologists.

OPA will present an award for the most outstanding presentations. Winners will be announced during the Convention.

- CASH prizes for the top 3 presentations

The deadline to submit your abstract and video is September 25th, 2020. All materials must be emailed to OPA by 5:00 pm in order to be considered for the virtual poster session.

A completed submission form MUST accompany all abstract submissions.

The Conference registration fee will be waived for any student that is a member of OPA who will be presenting their research. Otherwise, you are expected to register and pay for the conference if you are not a member and/or wish to participate in the entire conference.

Please follow the link to submit your research or complete and submit the second page.
